

Host Families Needed (United States)

Location **Oregon** https://www.genclassifieds.com/x-440602-z

Hello Portland and Vancouver Families,

Are you interested in expanding the cultural horizons of your family? Chinese students, ages 13-17 need host families. This is a 2 week commitment, beginning July 13th. You will have the opportunity to learn about the Chinese culture while they learn about living with an American family. Students participate in field trips, attend classses, and experience full and half day excursions (all planned through organization). This is a great experience for families with children of all ages.

If you are interested, please respond to this email and I can send you more.
