Need to find a great forever home for a very sweet boy. His name is Bandit and just over 2 years old. Breed is half Springer Spaniel and half Labrador Retriever. He is around 40 pounds but thinks he is the best lap dog ever. Can be high energy at times but loves to lounge around the house as well. Fantastic with children, has not been socialized with other dogs much, so I really can't say how that would effect him. Completed puppy classes, very well potty trained, fixed, up to date on all shots and microchip. There will be a rehoming fee. Please contact me if interested or with any questions you may.
