DOB 12-26-14

Standard size will be around 50 pounds full grown.

She has had ALL puppy shots from a licensed vet as well as monthly flea/ tick/ heartworm prevention.

She is GREAT with kids, and other dogs. She can sit, and shake, And she is housetrained however she needs to go to a home with land or a fenced yard, she does get the Aussie energy sometimes and needs to be able to run it off. She does jump when she is excited but she is still a pup and can be taught not to.

There is a non negotiable rehoming fee of \$600.

She is not spayed, she has full akc registration, all shots have been given and she is house trained. So this price is very.
