Little Acorns Learning Center is a newly registered in-home childcare! I am a married mother of 2 who has left the workforce to do what I love most- working with kids! I have an Associate's Degree in Human Services with 10 years of experience working with children of all ages and needs in daycare settings, school settings and as a Personal Care Attendant. With flexible hours, competitive rates and the acceptance of subsidy this child-led, curriculum based learning center is the perfect environment for growth and development. I have full-time openings for ages 2+ and school age openings. Located 1 1/2 miles from Rte 78/Rte 105 junction. Close enough to the main route to be convenient but far enough off the main route to ensure your children's safety!

If you have any questions please feel free to contact me, Kelsi C., at or reply to this ad with any questions or to set up a time to meet! I look forward to hearing from you and meeting your!
