

# electric dog fence (150 USD)

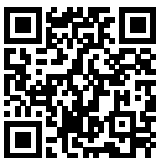

Location **South Carolina**  
<https://www.genclassifieds.com/x-440903-z>

DogWatch - hidden fence systems. I have everything but the boundary wire (can be purchase at any hardware store!). collars, transmitter, other dog care items. .... was a new kit/system for \$350...so I am guessing that \$150 is a good deal!
