

1996 tsi awd talon (1500 USD)

Location **Wyoming**
<https://www.genclassifieds.com/x-440918-z>

1996 eagle talon tsi awd. Has 190k on the odometer and unfortunately has a cracked valve cover and is missing a radiator fan and battery. The intercooler is not hooked up but I do have it. I lack the technical experience to fix it which is why it's up for sale. More pictures are available upon request. Call or text at 307 two five one
