Next Level Gold And Platinum Records would like to extend our appreciation all the extremely (talented) Bands, DJ's & Musicians out there, who rip through event after event...playing the hottest tracks for all of those adoring fans.

In saying that, Next Level is here to help display your musicianship by making a beautiful "Commemorative" CD, Gold or Platinum Record Plaque for your band. This plaque will be made with the same craftsmanship as awards given to famous musicians all over the world, and will be professionally constructed, customized and specifically (Presented To) you... "with your name on it".

This work of art will exemplify all the hard effort you put into making it happen in the venues you play. Even if you haven't sold 500,000 copies, we can turn your personal "CD Release" or "Mixtape" into a professional record plaque to hang handsomely in your home, studio or office.

As for "DJ's", we'll take your / Mixtape or CD / and make a sweet record plaque to post up in the DJ booth of your residency like famous mixologists "Jazzy Jeff", "Kaskade", and "Carl Cox".
