Bathrooms, den, bedrooms, kitchen, even in the shed-wall to wall shelving, it will remain! A 55 or older community. The fabulous community of "Park Place" in Sebastian, Florida. This is an Award winning land lease Community of Excellence. Resident Friendly and Pet Friendly, active and happy people fill our community! Even the "fur babies" are social! It's like having your own resort 24/7 year round! Paved roads, county water and county sewer! Home is (31' X 65'.6") approximately 2015 Sq. Ft. Storage, storage, and more storage can be found in this home! Bathrooms, den, bedrooms, kitchen, even in the shed-wall to wall shelving, it will remain! This house just doesn't seem to quit, pleasantly surprising you. Enter the home, through the foyer into the main hallway (home layout on slide presentation) ahead are French Doors going into the den. The Den is a 10' X 14' room with two - 6' high storage cabinets on either side of the windows, carpeted, crown molding, and a ceiling fan (it has been used as a third bedroom). Back to the foyer/hallway and to your right is the GREAT room! A large open floor plan (kitchen, dining room, and living room). The kitchen area has upgraded Whirlpool kitchen appliances: Refrigerator, dishwasher, microwave, and vented center cook top, garbage disposal and wall oven. There is a stainless steel sink, and customized kitchen pantry cabinet with swing out shelving and drawers, big top section has shelf for appliance storage). The center counter has seating room for 1 -3 people. The kitchen is an approximate 10' X 14' open area with recessed lighting. The dining area is approximately 10' X 14' with sliding glass doors leading to the Lanai and with a window view of the pristine wild area preserve behind the house. The chandelier remains. The kitchen and dining area are tiled. Through the dining area walk out to the Lanai it is approximately 17' X 13 1/2' screened in, with two screened doors, and a back porch leading out to a random stone patio. There is a hose bib on the Lanai to been water your plants, two double electrical outlets, and a pristine view! The sun rises right outside your Lanai each morning! The Living room has a wood laminate floor approximately 15' X 18'. Sit and relax, look out any of 9 accent windows at the calm and pristine wooded view! A Hunter fan, and crown molding complete the room. Back into the house and follow the tiled hallway down to the Laundry room on your right, where you have cabinets over the washer dryer area, a large deep laundry tub, long high shelf above on your left. The hallway is tiled and 5' wide leading from the entry foyer down to the double doors of the "Master Suite. Crown molding around the hall. On your left, down the hall, is the Guest Bedroom (8 1/2' X 11 1/2'). It is carpeted, has a ceiling fan, double windows, and generous closet. Across the hall, from the Guest Bedroom, is the guest bathroom 8 1/2' X 6' with a walk in shower, storage cabinets and floral ledges. At the end of the hall, is the "Master Suite" a 30' X 13 1/2' room featuring a sitting area on your right, of course room for a King size bed (currently a queen bed), bureau and chest of drawers, a Hunter Fan and on your
