

NEED HOUSELAND TO RENT OR BUY (BLACK HILLS)

Location **South Dakota**
<https://www.genclassifieds.com/x-440990-z>

We are a young couple looking for a property with a little or a lot of acreage to rent or preferably buy! In the Black Hills area, prefer to be somewhere between Sturgis and Rapid City but will consider anything. We are extremely clean, don't smoke, don't party, have no pets, local business owners, both farm and ranch raised so we can handle a big piece of property if need be, would like something to have a few horses and cows but not a requirement, Please contact us with any options you may have. Call, text or email.

Please no trailers but would consider a fixer upper!
