

# QUALITY ENGINE REPLACEMENT for less (murfreesboro)

Location

Tennessee

<https://www.genclassifieds.com/x-441017-z>

Hello! I'm Steve, an ASE Certified Auto Technician and I replace engines for \$600 labor. You supply the engine. If needed, I can help you find a low milage engine from a salvage yard, at no extra charge. Quick turn around time. I require 1/2 upfront and other 1/2 due at completion. Give me a call and save some money. If no answer, leave a message. Thank you.
