This is unlike any Outdated, "DISPUTE METHOD" "Standard Regular" type of disputing method that most of these companies use, that is a very slow process and NOT very reliable in removing negative items OFF your report which can take many years for just a few Negative accounts to come off! Take advantage of our Special for this Credit Restoration Service TODAY for a Limited Time! Only \$600 while spots are still available at this price! This process takes as little as 25 to 45 Business days!

When contacting us by Email, Please provide your Name, Email with Phone # in the message area. Explain to us what your Situation is and what Services you need help with?

*Send us your gradit report logic information user \$ payed to explain your report for Chapten polytone.

*Send us your credit report login information user & pswd to analyze your report for Checkchecktotal
