I am looking to buy a fixer upper house in burlington, south burlington, winooski, essex, colchester, williston, or shelburne. Must be a single family house Not a condo/townhouse. It can be small and or old. I live locally and am not looking to flip houses or anything like that. Just looking for a project to keep me busy. Let me know if you have something you are looking to sell before paying a realtor or foreclosure. Must be less than \$165,000. Would be a cash sale. I will consider anything in good to very bad condition.

Let me know if you have something,!
