

found cat, Grey and White Providence (Washington Park)

Location **Rhode Island**
<https://www.genclassifieds.com/x-441217-z>

This fellow's been living in our backyard, he started showing up a couple of weeks ago. We thought he was just a stray neighborhood cat but he seems to like people so we're now thinking he must be lost. Anyway send me an email with your phone # if this is your cat. We've been feeding him so I don't think he's going anywhere anytime soon.
