Karma and the Truth playing covers and originals is seeking a drummer.

We play covers ranging from classic rock to modern rock, and are also promoting our first original album with hopes to release a second album this fall/winter.

We have played some great shows in New England and are looking to continue!

We are in our mid thirties and are looking for a drummer that can commit to one practice a week in Warwick RI and do 3-4 shows a month.

Please check us out at www.karmaandthetruth.com and find us on Facebook.

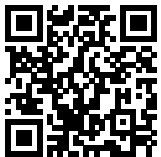

If interested and love to play and create music; we'd love to hear from you!

Thank you!
