My name is Michael, I'm 21 years old and I'm looking for a room just for the summer close to the U. I am a student and work full time during the summer, I'm very social and like to go out and drink and what not with friends. I'm looking to find a place with other students, feel free to call or text me at

Texting would probably be the best way to get in contact with me if you have any other.
