WeatherTech Floor Mats (50 USD)

Location **Tennessee** https://www.genclassifieds.com/x-441291-z

Used WeatherTech Floor Mats - Front Set Only - 2009 GMC Yukon

The passenger side did not fit my car perfectly, so I had them send me another set.

These were \$110 plus tax and shipping, but I will sell them for \$50. They have no tears, just a little normal wear from being....floor mats.

The part number is 450661. go to http://www.weathertech.com/floorliner-digitalfit/ to see if your vehicle would use this.
