Our house has sold, and we need a place to move into until we find a new house to purchase. We're not sure how long it will take to find a new place, so we're looking for short-term renewable lease, open ended lease, year lease with reasonable buyout, sublet with ability to extend or similar arrangement. Looking in the west-end/henrico/eastern Goochland area. Need 2 or more bedrooms.

Looking for a place available any time prior to June 5, but prefer available by May 22.

Mature couple, nonsmokers, no pets, excellent credit. Please respond via email if you have anything available.
