Location **Texas**

Available June 1st, Furnished bedroom, including twin bed, nightstand, dresser, and desk. \$575/mo. includes utilities, WiFi internet, and bi-weekly housekeeping service. Full access to kitchen and laundry areas included.

The house is in a very safe neighborhood, and is very close to UT Dallas and Texas Instruments. Many restaurants and stores are within walking distance.

Atmosphere/vibe within the house is quiet and relaxed. The entire back wall of house is composed of floor to ceiling windows so that the living areas look out on the inground pool & garden in the backyard. A perfect study place that inspires quiet and meditation.

Ideally suited for a male UTD student or TI intern. The type of person who will appreciate this opportunity is one who is specifically looking for a quiet, secure environment, as opposed to a "hang out" or party place.

I am owner of the house and a UTD student myself. I don't smoke, drink or do drugs. I'm a mature, serious student looking for a like-minded individual to rent the 3rd bedroom in the.
