#### Description:

Here is another uptown Dallas / Oak Lawn luxury living opportunity. We believe that where you live is an extension of your life and we strive to connect our members with the community around them. Our Luxury Building is built for Socially Connected Living, complete with a Vegas-style Pool, a Great Room with Champagne Lounge, and a Fitness Studio offering weekly exercise classes and personal training. Sunday brunch is offered once a month, with sumptuous dining establishments on-site and nightclubs just a few steps from your front door. This is an environmentally-conscious design, and is the first community in Dallas to be Green Built certified, utilizing construction of recycled materials. We offer a sustainable lifestyle, complete with energy-efficient appliance packages and lighting that meet Energy Star specifications. All apartment homes are built with Rockwool insulation to cool in the summer and keep you warm in the winter.
