Hi :-)) I am looking to create an aerial dance and musical sideshow to present to the traveling carnivals. I perform on aerial silks and soon I'll be able to form on the aerial hoop. I am a singer-songwriter who plays the acoustic guitar and a little bit of accordion, and I still walk/dance. I can probably pull off fire poi, as well. I have a million ideas, but they'd be much better developed and executed with another creative individual.

If you reply, I assume you are a weirdo, and I prefer it:))

Email me asap if you wanna hear more! Carnival season is going on already and only goes thru November. I haven't spoken with carnival directors yet. I'm calling tomorrow. The carnies seem to think I'd be a definite in, tho ;)
