Hello everyone,

It is my honor to introduce you to my Chrysler.

It has been well taken care of and fully well-maintained over the past nine years.

It is in great shape in and out!

It has always sat in my garage never been smoked in no kids or pets.

The body barely has any scratches very straight with no dents.

The inside of the vehicle has leather,
Very good condition.

The dashbord- has no cracks very clean.

The tires are okay will get you through The rest of the summer.

Mechanically she is in super sound great condition!
No issues with the transmission no rough noises.

Idots perfect and starts up every time

Has 100,000 miles
No issues at all completely reliable 140k.

Overall it's a great vehicle for the price it has been really good to me never gave me any issues
whatsoever.

this will make a great car for just about anybody great commuter, very safe and very reliable.
lots of room in the vehicle as well has a very large trunk space and very large backseat.

Has good tabs

All lights signals and brake lights work.

All windows rolled down perfect except for driver side has a mind of its own some days it won't roll down some days it will not should be a very easy fix other than that there's nothing wrong with the car.

only Pics at this time , however ease take my word as the passenger side looks just like drivers side.
Very clean
