Duke is a great companion for adults and older children. He is incredibly docile and playful. Always happy and ready for whatever. We have a great pyr, aussie, chorkie and duke... clearly we have to many dogs. So the deal is we can have only 1 dog in the family so the first 3 to find new homes may go... winner or loser you choose ; ) Neuter and UTD on shots. I added images of other pups just to be!
