Meet Laury! She is a 20 year old live in au pair (nanny) from France. She is looking for a family to live with and take good care of your children.

She will live with your family, take care of the children, teach them about her culture, do light housekeeping, launder the children's clothes, help them with homework, etc.

She is CPR and First Aid Certified.

She speaks excellent English and French.

Has experience with children ages infant to 6 years old.

She enjoys playing tennis, painting and dancing.

When asked: "What activities (outdoors and indoors) would you like to do with the children in your host family?" She said: "I create games for children to discover the French culture. This will allow them to discover the French language, traditions, values. I would bring the kids to bike to the park so they can romp and take the air. I will help them with their homework through games so they understand best. I used to be surrounded by children because I often see my little cousin. I often take care of him and I play all the time with him. If the time is gray, We stay at home and we can play differents games, building games, coloring. "

...

When asked: "Why do you want to be a live in nanny (au pair)?" and she said:

"First, I want to be an au pair because I love to take care about children. I feel very good when I see them smiling. I want too to work with children after this experience. I

want that your children learn a new culture thank me. Moreover I will learn a new culture thank them.

I did work as a nursery with children from 0 to 3 years old. I also did work with newborns in a maternity. And I was babysitting for a family who is living in France. I am a very serious person therefore I don't often go out. In addition, I love going to the movies. I practiced for a long time to dance, in the same time, it becomes my first passion but I also like painting, I like to do collage with towels. During my free time I take as much work for my classes, do my homework, do my own lessons and
