Hi,
 I have an apartment, the lease will be until the end of the July. But, I have to move out the apartment in May, I want to sublease my apartment for two month(July & June). The apartment is very new, and has 3 bedroom and 3 bathroom. It is located in 3534 willett drive, the grove. And the rent is \$440, electronic, internet all included. What's more, pets is friendly.
