10 acres near the Wind River Mountain Range, directions: Hwy 28 from Lander or Farson to Atlantic City. South Pass City Rd out of Atlantic City to Pick Ax Rd to the left, follow Pick AX to the forks the left returns back to Atlantic City (this is opened later in the season) the road then becomes Three Forks Atlantic City Rd, go approx 2 miles. A dirt road (trail) will be on right, this road will fork (3 forks) take the left turn and go to see, motor home and small 8x40 trailer on the left side, motor home will sleep 6, the small trailer is 1 bedroom. The east border will join the BLM land. There are no trees in this area, no electricity (neighbors use solar panel) I used generator on motor home. I used large water tanks that held about 1500 gallons of water for use and animals. The water truck from Lander would service. There is a 150 gallon Propane tank. This picture is from a book authored by a Japanese and featured the South Pass/ Atlantic City area and Trails West Wagon Trail. This property was the trailhead of this business. Lots of animals in this area, antelope,deer,moose,grouse,rabbits and some have reported Jackalope sightings, For info Call
