Did you know that you can sell your house without using a Realtor- saving yourself the thousands of dollars in commission?

For example on the sale of a \$300k house with 6% standard Realtor fee, not having to pay any commissions would save you nearly \$20,000 in commissions!

That's \$20k more in your pocket

If you'd like to sell your home without the hassle or cost of real estate agents, then please give us a call at

We're a local real estate investment company located right here in Phoenix and we buy and sell houses all across greater Maricopa county.

There are MANY benefits to selling your house directly to us:

1) We can give you an offer to purchase the house within 24-48 hours and contact

2) You can save yourself the fees of agents (no commissions needed)

3) We'll buy the house "AS IS", and we will never ask you to make a single repair.

4) You don't have to clean the house before showing it to us or when you move out (we'll donate or dispose of anything that you choose to leave behind).

6) We can pay all cash (no appraisal contingency to worry about).

7) We can close in whatever time frame works best for you (even as quickly as 14 days).

8) No weekends lost to fruitless showings with people parading through your home, hoping for an offer.
