

Farm animal rescue (Upatoi)

Location

Alabama

<https://www.genclassifieds.com/x-441706-z>

We have a small farm animal rescue in upatoi Georgia. We rescue chickens quail rabbits guineas Ducks pheasants goats mini pigs mini horses mini donkeys and more no large animals at this time. We give all our animals love and attention. This animals will be pets or used for eggs milk or breeding. We also place animals in new homes for people to enjoy as pets. None of our animals will ever be used for consumption by human or other animals. Our fowl is certified but the state that they r free from diseases and housing is clean. So if u are looking to get rid of any of these type animals give us a call u are more than welcome to come see the farm before u make a decision. Please text or call Kelly.

Thank
