Experience the power of djembe and djun-djun drums with Baba Sada from Ghana. All levels are welcome, beginner to advanced! Baba Sada teaches technique, musical phrasing and breathing, and encourages you to express yourself. He teaches the traditional African way, making the novice to master comfortable. A truly remarkable experience! This class would be inexpensive at thrice the price. Baba Sada can take anyone deeper into drumming. Having been thoroughly trained at an early age in dance movements and the historical contexts and meanings of various traditional dances of the Mali Empire, he's also very adept at choreography and dance. Baba Sada brings a unique and special approach to performance that's simply amazing.

Come join us learn from the real African master drummer.
