## SMALL BUSINESS BOOKKEEPING SERVICES

We've created systems to make sure you get all the information you need so you can spend your time on what you do best. On a monthly basis we reconcile bank statements, credit card statements, and prepare your financial statements. Whether you are a sole proprietor, partnership, corporation, or non-profit, we help to keep your business running smoothly.

Accurate and timely financial statements help you:

- increase the value of your company
- improve access to financing
- control costs: ensure that all expenses are confirmed, and reduce tax return preparation expense
- minimize stress at year-end: your financial statements will be ready for your tax preparer
- make informed decisions
- see your business trends clearly and easily
