

x0024200 renting out rooms in my apartment (Columbus)

Alabama Location https://www.genclassifieds.com/x-441804-z

I am a friendly female in my late 20s renting out spare rooms in my apartment. Ran into hard times plus i hate living alone. I have a small room for rent and i also have a big living room for rent. \$200For a room and that includes utilities. Can add \$40 to that and i will get my cable and internet.
