My fiance and I are in search of a room, apartment/duplex or house to rent in Rehoboth, West OC or Dewey for the summer and possibly into the fall (if the option is available and the space is a good fit for everyone). We will both be employed in the Eastern Shore starting June 8th and are hoping to find a place ASAP as our original plans have just fell through.

If you are also looking for a place or in need of a couple more roommates to seal your housing plans, let us know! We are professional, drama free, in our twenties and thirties and we're very low-maintenance. We like to have fun and get along well with others, however, living with people who are down to earth and responsible is ideal.

We are also looking to rent a home/space for two - if you're looking for responsible, clean and mature tenants, please contact us! We can verify employment and strong/eclectic work history on both ends.

We're pretty open to any scenario considering our need for a place ASAP - please email back if you're serious and we'll be happy to tell you more about.
