We are a .marketing company that wants to expand. We are looking for someone who is comfortable going business's to business and deliver our promo material as a lead in to get to the promotions manager or owner in which can set appt for us to talk to them. That is it.

Where as we don't want you selling or even hard pitching, we don't want you just dropping the card and leaving either. We want somebody who can get in scout the area to get the attention of the main contact, and give them a quick summation of what we do to ask if it's something they would be interested within ten minutes of each visit. If this is you please email us experience and availability. This is trial run for us so looking just one person 2 - 3 hours a day, for 2 days over 3 weeks. OR so.
