

# SESSION MULTI

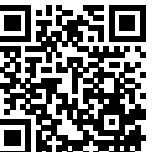

Location **California**  
<https://www.genclassifieds.com/x-441925-z>

Versatile, adaptable session musician available for recording sessions. I play lead/rhythm guitar/bass/some keyboards+synths. I can play your parts, or help provide you with that additional element you're looking for. I also sing, with an emphasis on harmonies. Samples of my own music are available below:
