Hey Guys,

Im 28, male, korean, have been gaming / picking up girls for 5+ years now so I have experience, Ive done my share of sleeping around w girls and now looking for something more serious..

I am looking for a reliable and set crew to go out gaming with in the Los Angeles Area.

Some preferred characteristics I would like in my next potential wings:

- Not a CREEP or WEIRDO, I am normal avg guy and trust me if we meet I will know if you are too
- Into gaming specifically Asian girls
- Preferably looking for 'The One' (not into just sleeping around and hooking up)
- Over 21 yrs old
- Someone who is not flaky, reliable, and wants to consistently go out as a crew

My game is very efficient and focused, I believe in the power of #s and I treat this process just as seriously as my career so if any of this sounds like you, text or leave a message on my google voice # and lets at least talk over the phone to discuss more...

Thanks
