

Family in Need (Alhambra)

Location **California**
<https://www.genclassifieds.com/x-441927-z>

Hi,

Can anyone help me and my family out. Our car has to get fixed and we don't have the money to fix it. The sliding door got stuck and I can't drive like that. We are a good family trying to pick up from losing everything.

Is there anyone out there who can help.

Thank
