

# Will Bring Your Car From NY to LA in June (United States)

Location **California**  
<https://www.genclassifieds.com/x-441938-z>

I'm looking to drive a car from the NYC-Long Island area to the Los Angeles area. I'll be leaving NY around June 1 and it should take me about 5 days. Will cover all gas and tolls. I need a relatively unpacked car as I have some luggage to bring with me. I have a clean driving record and over 25 years of driving experience. Please contact ASAP if.
