Don't want to pay outrageous prices for a brake job? YOU SHOULDN'T!

Changing brake pads are necessary, but shouldn't be expensive. Brakes are very simple and changing the pads is a basic, and easy task for anyone with REAL car knowledge.

About me:

I grew up around cars, trucks, street rods, and race cars. For over 25 years, I have done everything from, rebuilding motors to frame up restorations . I like having the job done right the first time!

HERE'S HOW EASY IT IS:

- ? you get the pads from the auto store of your preference.
- ? you arrive at your scheduled time or I come to you (.50 per mile)
- ? I replace the pads (and all provided hardware)
- ? I check and clean rotors/drums and calipers

Most brake jobs are completed in 1 hour or less
