

carpet shampooer (steamer) hoover, works (40 USD)

Location **Alabama**
<https://www.genclassifieds.com/x-442082-z>

its a little older model, but works well, and not as bulky and heavy as some are, its made by hoover, can send model number and pics, can meet you, you can test over here, whatever, anyhow, 40 dollars

also selling two of the lighter smaller vacuums, not the thin flimsy ones they are solid with attachment hose but not super big and heavy and both work well for 10 each, thanks
