Do you need summer care for your school age kids and still want them to have fun?

I have 3 full-time spots left during Summer break. It will be \$100 per week. During the break, we will be doing fun activities. No sense in staying indoors doing nothing all summer. Meals and fun activities are included!

My hours will be 5:00am- 6:30pm Monday through Friday. If you need more flexibility, let me know, and I will see what I can do.

I am a 26 year old single mom and have a 6 year old son. He is very social and gets along with all kids. I am not licensed, but have been around children for almost all of my life. I do not smoke. I am working on getting my First Aid/CPR/AED certification prior to summer break. Please ask away with any questions or concerns you may have, contact me to set up an interview.
