

Replacing a 03 Tiburon door handle.

Location **Arkansas**
<https://www.genclassifieds.com/x-442116-z>

Hi, I am looking for someone with some tools and some experience to help me replace the interior/exterior door handles on the driver side of my Tiburon. I did the passenger side last year but would feel more comfortable with someone more experienced there with me. I can't pay much but, perhaps a case of beer or a bottle of whiskey, something like that? Let me know if you're.
