Used 1 WEEK \$50.00 OBO

Great permanent home for growing puppies. Double door design allows front & side access. The MAXLock Door System enhances security by providing multiple lock points around the perimeter of the door, and the locking handle allows you to easily and conveniently operate the door in one motion without kneeling or bending. The crate folds up ""suitcase style"" for easy transport and storage. Crate mat not included. Divider panel allows you to adjust the length of the living area as your puppy grows into its adult size home. Easy to set up and fold to portable size (no tools required). All panels are connected and set up within seconds! These crates are preferred by those who take their dogs with them when traveling. Crate pad not included.

Features:

Double Door Design

Allows for versatile front and side access.

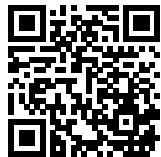

Attractive Finish

Durable black electro-coat finish is beautiful and long.
