I'm looking to sell my 1999 Acura integra no problems at all its a 5speed Manuel transmission the car has 158K on it, don't want to get rid of it as I love the car but I'm looking to get something a little newer so not desperate to sell but will if price is right, the. Car runs great has a brand new clutch just installed a few months back and replaced transmission" the trans didn't go it had a crack in the casing so was replaced cause of that" no major dents and no rust on body at all, im asking 2800 or best offer the price is negotiable serious inquires only please like I said above not in desperate need to sell so noow balls please just looking into a newer car so need the money to put down for. Can give me a call or text at anytime day or night if interested. Irs bone stock no mods to it so whoever wants it its your do start your own project on only thing done to it was the front lip and halo head light, and new stock exhaust system about a year ago. Serious people only please!!! I can be contacted at

thank!
