About a weeks ago I purchased 2 2 week old, English Bulldog puppies from a lady who told me they were from her AKC papered English bulldogs. She brought both mom and dad with her when we met to get puppies. I was told Mom had to have a C-section so puppies were being bottle fed due to mom not wanting anything to do with them. Bottle feeding is harder than I thought. So these puppies need to find another home that has the time to feed and care for them. I am not 100% positive they are pure English Bulldogs as to me they look Bulldog Boxer mix but I have never had or seen 3 week old English bulldog puppies before. I am asking a small rehoming fee of what I paid of \$400 per pup. I have one Male and one.
