We need to find a new home for our "Moose". We'll donate her to your family if it's a good fit. Named after the Royals 3rd baseman, Moose is a very cute 10 mo old female mixed breed. Part lab and part blue heeler. She was spayed and graduated from basic obedience class both at 6 months. 100% house broken. She rings a bell hanging from our back door and hasn't had an accident in several months. Moose loves to run and play. She'll fetch and play tug o' war for as long as you'll want. She's not what you'd call a lap dog. Black short hair with white on her nose and paws. 45 pounds and about knee high to an adult. Feel free to call/text Michael at

if you want to come see her near Longview.
