## Fender Strat Mexican (120 USD)

Location **Massachusetts** https://www.genclassifieds.com/x-442325-z

同學多同

Fender Strat, mexican made. I thought the stickers would look cool because the body of the guitar is not so great. Having said that, the guitar plays great and I just got a \$80 worth of work done on it - intonation, action, pickups, etc. I usually do not part with my guitars but I can't travel with this when I.
