Location

Michigan

<https://www.genclassifieds.com/x-442354-z>

Local, successful medical marijuana dispensary currently seeking experienced, outgoing Assistant Manager with knowledge of MMJ strains, concentrates and edibles. 2 to 3 years of successful management experience and sales background. Must be able to multi-task and demonstrate excellent communication, sales and management skills. Must be able to coach and inspire volunteers, resolve conflict, maintain safety, and manage accounts.

Assistant Manager is expected to:

- Create and follow forecast models and budgets based on understanding of principles of business and experience.
- Set and surpass aggressive sales, service, and profit goals.
- Work closely with other management.
- Thrive in a competitive, goal-driven environment.
- Maintain the stability and reputation of the store by complying with legal requirements.
- Maintain and update menu, website and social media.
- Ensure product meets company standards.
- Meet with vendors to discuss new and existing product lines.
- Place orders with vendors/wholesalers and ensuring product inventory is accurate, stocked and updated on a daily basis.
- Ensure promotions are accurate and merchandised to the company's standards.
- Cultivate an atmosphere of familiarity and comfort for patients, ensuring maximum customer retention.
