All the rooms are nice painted textured sheet rock and nice tile flooring. it also has a LARGE 4-5 car heated attached garage that is about 30'x30' with 2 access doors and double garage door. Attached to that, is HUGE Carport type area that is about 40'x40'? and has nice concrete floor as well. 220v, Central a/c & heat, & big propane tank, plumbed for air w/ reels.
