

PERSON NEEDED TO LISTEN TO MY COMEDY (LA)

Location **California**

Hello,

I am a comedian and am looking for someone to listen to my comedy. Looking to meet at a park or Starbucks type place. I'm not really looking for a writer as I would like to develop these bits, myself.

Please respond with your location and preferred rate. This should take 30 minutes, but I have no idea how the process will progress.

No, I do not wear a trenchcoat nor drive a windowless cargo van.

!
