I am selling this loving and playful 11 week old Husky puppy that I named Huda. I am unable to keep her due to my current residence. Huda is a potty trained and will also let you know when she needs to go out! she knows how to sit and lay down and when she does something wrong, you just have to tell her to stop and she will. She loves to run and she's good at cars, she knows how to swim too. She is such a friendly puppy and it honestly breaks my heart to have to get rid of her but I have no other options. I am looking for a responsible owner who has plenty of room for him to play in; I do not want Huda to have to go from home to home anymore.

she has one blue eye and one green eye

I am selling her with the following items: large cage, leash, collar, plenty of toys, puppy food, two food bowls, training pads, puppy body spray, carpet cleaning foam for accidents, and spray that shows the puppy where to go to the bathroom.

my price is 1200 .. include health
