7 Week Old Kittens (Orlando)

Location **Florida** https://www.genclassifieds.com/x-442445-z

GenClassifieds.com

I have four beautiful long haired kittens that I am looking to place in a loving and permanent home. Ideally I'd like to pair them off so they can stay together but I'm open to rehoming them individually. They are very sweet and playful, litter trained and eating mostly soft food with dry food in between. The rehoming fee is \$35 each. If you are seriously interested please contact me at
